## Working Experience

May 2018 to present: I am a full professor in College of Plant Science & Technology of  
Huazhong Agricultural University in Wuhan, China

Feb. 2011 to May 2018: I was a scientist in Wheat Breeding Group in Global Wheat Program in  
CIMMY and leading rusts research group to control wheat rusts through complex resistance.

g k " # " 8 W " " ## i Se S W f g d W in Huazhong Agricultural University in Wuhan, China  
and focused on teaching & wheat molecular breeding.
